

Hello Maryland TACF Members and Friends!

I would like to announce the **Spring Meeting** of our chapter.

It just happens to fall on St. Patrick's Day!

Date: **Saturday, March 17, 2018**

Time: **11:00 am**

Location: **IWLA, 18301 Waring Station Road, Germantown MD 20874**

Our featured speaker will be **Sara Fitzsimmons**. She wears many hats at TACF. She is the Regional Science Coordinator Supervisor, the North Central Regional Science Coordinator, and the Director of Restoration. She will be presenting the good work going on in the Pennsylvania chestnut orchards and the TACF breeding plan.

Bruce Levine will talk about the progress of the small stem assay. We will also discuss the recent and near future work of our chapter.

All are welcome!

Hope to see you there!

Peggy MacDonald

MD TACF President 2018
